**ANNUAL MEETING
FRIDAY, MARCH 8TH**

**VOTING IS FROM 7:30am – 7:30pm / Annual Meeting will begin at
8:00pm**

The following stockholders accepted their nominations.

Effie Barber

I have served on the board three terms. I have tried to enforce rules and regulations set up to protect the shareholders. If someone has a concern I bring it to the board. I hope whoever is elected that they follow the by laws to make this a better community for us all.

Martin Bosch

My nomination came as a surprise to me. I am flattered to be sure. I have attended three board meetings and I would say that civility would be a goal for everyone to strive for. I have heard foul language used in frustration. Disrespect for each others views and comments. I am generally pleased with the Homes HOA organization and have no projects in mind that aren't already in progress. Keeping the Homes free of loose garbage in the streets is the only thing I am concerned about right no. Thank you, Martin.

Frank Moss

My name is Frank Moss. I am running for the Board of Directors. I have lived in the Homes for 30 years, since 1989. I have been in Public Service, for most of my adult live. I was a member of K.C.K. PD for 29 years. I retired as a Master Detective, in 2009. As I said I've lived in The Homes for 30 years. I am familiar with The Homes. I would like to see the Homes stay that way. Some changes need to be made. I would like to help. Sincerely, Frank Moss.

Rebecca Westpfahl

I have been presented with a unique opportunity of being nominated for the board. I have lived in The Homes for nine years and I would be honored to be a part of the board. I have a broad range of skills. Some o the skills I have acquired are in transportation, tax preparation, business owner, certified nurse aid, and phlebotomy to name a few. My goal is to listen to the questions, comments, and concerns of each stock holder as well as being open to suggestions and ideas, that could enhance the quality of life in The Homes. Rebecca (Becky)Westpfahl.

HELPFUL HINTS ABOUT LIVING IN THE HOMES

BE KIND! IF IT SNOWS DON'T PARK IN A SPOT YOU NORMALLY WOULDN'T. IF A NEIGHBOR TAKES THE TIME TO SHOVEL OUT THE SPACE THEY NORMALLY PARK IN, THEN RESPECT THEIR HARD WORK AND DON'T PARK THERE.

PLUMBING: DO NOT FLUSH FLUSHABLE WIPES. The pipes in our homes are over 70 years old. They do not have the capacity to wash away any other material. Do not flush baby wipes, feminine hygiene products, diapers, paper towels, Q tips, etc. The sink and tub drains are only for water disposal. Do not force items down the drains. If maintenance finds these items consistently causing a backup in your pipes you may be charged for the repair.

PARKING: The Homes does not have assigned parking. Please be considerate of your neighbors and their parking needs. Try not to park in a spot that is normally used by your neighbor. If you have guest, have them park in the overflow lots. **NEVER PARK IN YARDS OR COMMON GROUND.**

YARDS & PORCHES: Please take the time to clean up/organize your yard and porch. The size of our porches do not allow for you to keep many items on them before they start to look cluttered and messy. If you do not have a shed an affordable alternative is to store your items in a deck or patio box. They range in cost from \$30 to \$100 and can be purchased on-line or at your local discount store. Items that should not be on your porch: appliances, boxes, buckets, mops, paint containers or any other "non outdoor" items. The office offers free paint for your porch railings.

SPEEDING. The speed limit in The Homes, Inc. is 20 mph. It only takes a few seconds for a distracted child to dart out in the road. Please be aware and safe while driving.

AUTOMOBILE REPAIR. It is against the rules to work on your vehicle in The Homes. If your vehicle needs repair, then you will have to take your vehicle out of the neighborhood or take your vehicle to a mechanic. Unless you are changing a flat tire, you should **NEVER** put your vehicle on a jack in the Homes.

LITTERING. Think twice about throwing your trash out your car window or into someone's yard. First, it's rude and selfish. Someone will have to pick it up and most of the time it is the maintenance staff. This takes time and money away from other resident's needs. Second, it is against the law. Littering is a Class C violation that is punishable by a fine up to a \$500.00.

KEEP FURNANCE AND WATER HEATER AREAS CLEAN. Having too many clothes, boxes, or general clutter in your utility area can be a fire hazard. Please keep yourself and your neighbors safe and keep your utility areas clean. **DO NOT PILE CLOTHES OR OTHER ITEMS ON TOP OF THE WATER HEATER OR FLU AREA.**

NOISE. Please be mindful of the level of noise you create. It is our responsibility to keep the sound we make to a reasonable level, so we are not disturbing our neighbors. Sometimes, simply communicating with your neighbors and working out an understanding can resolve this and many other problems.

COLD-SEASON POWER OUTAGES

Most cold-season power failures happen when winter storms bring freezing rain, sleet, and high winds, damaging power lines and equipment. Without a steady supply of heat, not only are you impacted, but your home can suffer from dampness, damaging walls, floors and plumbing.

During a winter power outage

- Before you take action, make sure the outage goes beyond your home. Check your breakers or fuses and the power lines to your house. If the lines are damaged or down, stay back and call your electric company.

- Stay warm... On top of dressing in layers and huddling under extra blankets, hang your darker ones on the windows to draw in heat. Keep doors and windows closed, and use towels to block drafts around them. If necessary, move to your basement, which may be more insulated by the ground.

- ...but keep your food cold. Food can stay frozen 24 to 36 hours if the refrigerator/freezer door stays closed. Add snow and ice from outside if it starts to thaw. Always have a bag of ice cubes in the freezer in case you have to evacuate or when you're out of town; if the cubes melt and refreeze while you're away, the food in the freezer will probably be spoiled.

- Listen for updates. Listen to the news on a battery-powered or hand-cranked device. If you're using a cellphone, choose texting over calling to keep phone lines free, or use your landline.

- Save 911 for emergencies.

- Prevent additional damage. Unplug appliances and electronics to avoid a surge when the power comes back on; leave one lamp on so you know when the power comes back. If you have electric heat, keep all taps on a slow drip to prevent pipes from freezing and bursting.

Have a survival kit ready before the power goes out
